Collegians and Private School Pupils Raise Their Quota for U. W. W. Fund

THE students of the Toms School, Port Deposit, Md., have subscribed \$1,066.97 to the United War Work Fund in response to an appeal made to them at a meeting a few days ago by Roy H. Chamberlin, a former English master at Toms. Mr. Chamberlin is now the executive secretary, student division, of the United War Work Campaign Fund.

The boys of the school were all the more ready to contribute to this fund because of their interest in the many old Toms students who are in the service. Dr. Baker, the head of the school, has always kept in close touch with the alumni, and since the beginning of the war a special effort has been made to secure information concerning those who have entered any branch of the service. The Honor Roll was posted in the lobby of Memorial Hall. This honor roll now contains the names of 515 former students of the Toms School. A number of them have been awarded the Croix de Guerre. Many of them have been wounded and gassed and sixteen have lost their lives. Of the eighty-nine who joined the Aviation Service nine were killed and two were taken prisoner by the Germans. Seventy-seven are in the navy and but one of them, Ensign Harry G. Skinner of Baltimore, who went down with the destroyer Chauncey some time ago, is reported as lost, although a number of these sailors were doing transport duty.

BARNARD SCHOOL.

Thanksgiving exercises at the Barnard School for Boys, New York City, will be concluded by a dance in the school gymnasium on Wednesday evening, November 27. The dance committee, consisting of Chester Bailey, Norman Robertson, Ashforth Bailey, Alan Shaw, Rowland Marsh and Joe Squier, have completed the plans for an elaborate holiday feast. The November spelling match resulted in a complete victory for the White team, captained by President Shaw of the junior class. Edmund Boynton, Chadbourne Taylor, George Backer and Van Ness remained after the last of Capt. Robertson's Purple team, Bradford Hubbell, had been spelled down. Among the remaining members of the White team Boynton spelled down the others. The home made apple pie prizes were divided, however, among the last four on the winning team.

The "Earn and Give" campaign of the Liberty Boys resulted in more than half a hundred names being added to those boys whose self-denial will aid in supplying the overseas troops with comforts and pleasures.

The Barnard flag has been at half mast recently, and the boys have been added to its service flag on account of the deaths in the last drive against the Germans of Lieut. Allan Talley and Capt. Frederick W. Cobb, both alumni of the school.

RIVERDALE COUNTRY SCHOOL.

The Victory Boys' Earn and Give campaign for the United War Fund went "over the top" recently at Riverdale Country School, Riverdale-on-Hudson, New York City. Every boy subscribed voluntarily to help the soldiers. Most pledged to themselves to earn more than the minimum of \$5, but a number of the younger boys took somewhat less of the responsibility. This money is not to be asked for, but to be actually earned. The boys are using all sorts of devices, but particularly they are securing subscriptions.

WHEATON COLLEGE.

The United War Work Campaign, which has been carried on so enthusiastically at Wheaton, came to a close with a stirring address by Major Sants of the British army. At this time the goal set for the college, \$2,000, had not been reached, but before the next morning an additional \$1,000 had been pledged, bringing the total up to \$2,655, an amount larger than that subscribed last year.

At a recent meeting of the Dramatic Society the decision was made to give three one act plays the evening before the annual dance. The committee appointed to select the plays included Virginia H. Baker of Greenfield, Mass.; Constantine C. Brown of Washington, D. C.; Alice M. Day of Morristown, N. J.; and Dorothy C. O'Hearn of Gardner, Mass. With the aid of Miss Laura Plunk, instructor in expression, this committee has decided on the following plays: "Op-o-Me-Thumb," "Maid of France" and "Neighbors."

The mid-week service of the Y. W. C. A. was led by Rebecca S. Eliot of Clinton, Conn. This was followed by a meeting of the Classical Club, at which the president, Alma M. Magson of Manchester, N. H., presided. The speaker of the evening was Mrs. Samuel V. Cole who talked on "Roman Lyric Poetry."

COLLEGE OF NEW ROCHELLE.

The students of the College of New Rochelle, New Rochelle, N. Y., have done their share in the United War Work campaign with that energetic spirit of willingness and patriotism which always characterizes them.

In a meeting of the student body on Monday, October 11, the drive was opened by the students pledging \$2,000, a sum which represents sacrifice and hard work by all. This sum is not only certain, but those who know how hard the college girls are working will not be surprised to learn that the amount may be even doubled. In addition to the pledge, the student body is planning to give a concert under the auspices of the glee club and a lecture by well known speakers for the benefit of the drive.

The students are certainly sharing their brothers in service that they can be given double.

ROSEMARY HALL.

The whole school of Rosemary Hall, Greenwich, Conn., took part in the parade Monday celebrating the signing of the armistice.

Julian Curtis, chairman of the War Work Campaign committee in Greenwich, spoke to the girls in the gymnasium Wednesday evening on United War Work activities. Daisy Wright is in charge of the campaign in the school.

Special mention should be made of the work of the Castle, which is working with the college, and is showing an admirable spirit of generosity and loyalty.

The Pratt Art Alumni Association, 296 Lafayette avenue, Brooklyn, N. Y., are pleased to announce an exhibit around paintings by Mrs. Walter Scott Perry. This is the collection of southern California paintings that has just returned from the West where the exhibit was at the art museums of Los Angeles, San Francisco and Leland Stanford University. The exhibition will be on the walls from November 19 until December 19 inclusive. On the evening of November 22 a reception was given by the Art Alumni Association at which Mrs. Perry was the guest of honor.

PEDDIE INSTITUTE.

The battalion or military unit of the Peddie Institute, Hightstown, N. J., was reviewed by Lieut. Cassell of the 19th Regiment, U. S. Regular Field Artillery, but now an Acting Adjutant of the S. A. T. C. unit of Princeton University. He was accompanied by Sergeant Major Hughes of the same unit, who was formerly in the Ambulance Corps around Verdun and the recipient of a Croix de Guerre for gallant action in that sector. Lieut. Cassell was very favorably impressed by the showing of the Peddie cadets and complimented both the students and their instructor, Capt. Hyatt, upon their respective work. The new olive drab uniforms of the students presented a fine appearance.

DARTMOUTH COLLEGE.

HANOVER, N. H., Nov. 22.—In accordance with the custom of previous years the Dartmouth Outing Club will again give its members free Thanksgiving feasts at the cabins this fall, and although the three nearest ones, at Cuck Mountain, Moose Mountain and Happy Hill, will probably be the only cabins available the extensive preparations are already under way for the accommodation of seventy-five members of the S. A. T. C.

These Thanksgiving dinners, which have been made possible solely through the generosity of Rev. J. E. Johnson, '66, of Philadelphia, the honorary president of the club, were started about six years ago and on a much smaller scale, but they increased in popularity to such an extent that last year nearly a hundred men availed themselves of the opportunity thus offered, and the entire chain of cabins from Hanover to Sky Line Farm at Littleton was filled to capacity.
